

FEES

ISSUED 21/07/2026

PURPOSE: The Club has developed this policy to establish a clear, fair and transparent framework for the setting, collection, discounting and reimbursement of fees at the Club.

This policy ensures the financial sustainability of the Club while supporting accessibility and participation for all players, families, and volunteers.

REVISION: All Club policies, procedures guides and checklists are reviewed every January following the appointment of the new committee in November of each year. They may also be reviewed before each season or too meet compliance requirements.

POLICY STATEMENT: The Club is committed to maintaining affordable and equitable fee structures that enable participation in basketball regardless of financial background.

The Club sets its fees for each season, considering operational costs, governing body levies, association fees and the need to deliver high-quality training, development and competition opportunities.

The Club recognises that financial hardship can be a barrier to participation and will provide structured support mechanisms, including family discounts and the Slam Dunk Bridging Fund, to assist eligible families.

All fees must be paid in accordance with this policy to ensure fairness, compliance and the ongoing sustainability of the Club.

SCOPE: This policy applies to all junior players, parents/guardians, coaches, team managers, and volunteers involved in the Club.

It governs all matters relating to the setting, payment, discounting, assistance and reimbursement of Club fees.

This policy applies to all registration periods and competitions conducted by the Club unless otherwise determined by the Committee.

MULTIPLE TEAM PLAYERS

If you are approved to play in more than one team, no additional discounts will be provided beyond those already stated. The portion of club fees allocated to registration helps cover costs for training, development, and equipment, which are incurred by all teams you play for.

FEE REDUCTION FOR U10S PLAYERS

To support the development of basketball and encourage participation at the grassroots level, players in the U10s and below competitions will have their Club fees reduced.

This adjustment aims to make basketball more accessible and to foster the growth of young players within our community.

PART SEASON PLAYERS

The Club at its discretion may discount registration fees for players joining part way through a season. The Treasurer will determine with approval by another Office Bearer (President, Vice President or Secretary).

PHOENIX FAMILY MEMBER DISCOUNT 5%

Families registering multiple players with Phoenix will receive a 5% discount for each additional player. For example, Stacey registers Harry (player

1) and there is no discount. Stacey then registers Ruby (player 2) and the discount is applied. If Stacey, then registers Alex (player 3) the discount is applied and so on.

The key to the family discount is the same account holder. This discount is applied automatically in PlayHQ.

The discount also applies to registered volunteers. Where a volunteer is registered first under the same account holder, the subsequent player registration will receive the applicable family discount.

This initiative recognises and rewards the valuable contribution of our dedicated volunteers to the Club.

Players and families who have applied for the Slam Dunk Bridging Fund and are eligible will be emailed a Club voucher code to apply at registration checkout.

Families may also use Victoria Get Active Kid vouchers – these are applied for directly with the state government [here](#) selecting Basketball Victoria (Provider 2951096).

CONDITIONS

PlayHQ registration links, discounts and vouchers are valid only for the specified registration period and are strictly non-transferable.

Any misuse or fraudulent application will result in immediate forfeiture of the discount or voucher. Any improperly applied discount will be reversed, with the outstanding amount payable by the responsible party, together with a \$10 administration fee.

If you are uncertain about your eligibility for a discount or voucher, contact the Club.

SLAM DUNK BRIDGING FUND

The Slam Dunk Bridging Fund has been established to support families facing financial hardship with its purpose to “bridge the gap”, ensuring all young athletes can play basketball. Find out more in the [Resources section](#) of the Club’s website.

Registration assistance will be issued in the form of a voucher emailed by the Treasurer.

FILL-IN PLAYERS

Teams may use fill-in players to address player shortages during the season. However, once a player has participated in four (4) games for a specific team, they must either register with the Club for that team and pay the applicable registration fees or cease playing for that team.

Note: A fill-in player may participate in more than four (4) games across multiple teams, provided they do not exceed four (4) games for any one team without registering.

OTHER FEES

In addition to Club fees there are a number of other fees that are payable including:

- **BASKETBALL VICTORIA (BV)** - Annual Participant Licence is charged by BV annually. This fee is charged directly by BV in PlayHQ in addition to the Club registration fee.
- **BASKETBALL AUSTRALIA** - A Game Development Levy is charged annually. This fee is charged directly by Basketball Australia

RE-IMBURSEMENT

If you have incurred costs on behalf of the Club, you may be entitled to reimbursement noting costs are generally preapproved by the Committee.

FEES
