Purpose

The purpose of this guide is to assist the **Volunteer Event Coordinator** to carry out their duties at the Club. Please remember, your committee is always here to provide guidance and support. We also welcome your feedback as we work together, as volunteers, to deliver the best experience for our junior players and their families.

This guide is being implemented for the 1st time, and we greatly appreciate any feedback on how we can make it better. Please send suggestions to hello@bendigophoenix.org.au.

Introduction

The **Event Coordinator** plays a vital role in creating memorable and well-run events that bring our club community together. From fundraising nights to skills clinics, presentation days and photo shoots, club events help build culture, connection, and fun outside of regular games.

This volunteer role involves planning, promoting, and supporting the delivery of club-run events, working closely with the Committee, volunteers, and sponsors. The role suits someone who is organised, enjoys working with people, and can help keep things running smoothly — from idea to pack-down.

This guide outlines your responsibilities, tips for success, and how to collaborate with others to deliver engaging, inclusive, and safe club events.

KEY RESPONSIBILITIES

Club Policy

- Be familiar with Club policies.
- Be familiar with the BBA Policies & Guidelines as applicable.

Event Planning and Coordination

- Work with the Committee to create an **annual calendar** of Club events (e.g. registration days, clinics, social events, fundraisers, photo day, presentation day).
- Plan event logistics including:
  - Venue or court bookings
  - Equipment, signage, and supplies
  - Run sheets or schedules
  - Support needed from coaches or volunteers
- Use **Humanitix** for event ticketing and registrations where applicable.
- Use the **Club's Project/Event Template** when proposing a new event or initiative. This helps ensure key details (such as purpose, location, volunteer needs, and budget) are clearly presented for Committee review and approval.
- Maintain a basic **event plan** or checklist using the Club's template for each event to help manage tasks and timelines.

Volunteer Coordination

- Help recruit and organise volunteers for setup, pack-down, ticketing, food handling, or other key roles.
- Create short, clear task lists so helpers know what's needed.
- Check in with volunteers during events and thank them after.

Communication & Promotion

- Provide event details to the **Social Media Coordinator** or send through to hello@bendigophoenix.org.au.
- Include:
  - Event name, date/time, location
  - Cost (if any), what to bring, RSVP or ticket info
  - Flyers or photos for promotion
- Assist with signage or handouts if needed.

Budget & Approvals

- Work with the **Treasurer** and **Committee** to confirm any budget or spending needs.
- Submit a brief event plan or request using the **Club's Project/Event Template** for approval if the event involves:
    - Club-paid expenses
    - Income (e.g. fundraising or ticket sales)
    - External suppliers (e.g. catering, trophies)
- Ensure all purchases and reimbursements follow the club's **financial approvals process**.

Working with Sponsors or Guests

- Liaise with the **Sponsorship Coordinator** when an event includes sponsor involvement (e.g. stall, prize donations, banners).
- Ensure any sponsor logos or signage are used appropriately.
- Coordinate guest speakers, photographers, or visitors as needed — and make them feel welcome on the day.

Child Safety and Inclusion

- Make sure all events are safe, inclusive, and family-friendly.
- Only involve volunteers who are registered with the club and hold a valid **Working with Children Check**.
- If unsure, check with the **Child Safety Officer**.
- Be aware of accessibility needs, respectful communication, and space for all age groups.

Post-Event Wrap Up

- Help with clean-up and return of borrowed items.
- Submit a short summary to the Committee if relevant:
    - What went well
    - Any issues to note
    - Volunteer shout-outs or follow-ups needed
- Share any photos with the Social Media team or upload to the club's Google Drive.

TOOLS & SUPPORT

You may use or be given access to:

- **Event templates or run sheets** from previous years
- **Google Drive** for shared planning documents
- **Humanitix platform**
- **Club signage and equipment** (stored with Committee)
- **Booking systems** (e.g. court hire, community venues)
- **Contact lists** for key suppliers, sponsors, and volunteers

Ask the Committee if you need help accessing files or support for new ideas.

REPORTING

The Event Coordinator should provide brief updates at committee meetings to keep everyone informed about past and upcoming events.

This may include:

- A quick summary of recent events:
  - What went well
  - Any issues or improvements for next time
  - Recognition of key volunteers or supporters
- Updates on upcoming events:
  - Dates and details
  - Volunteer or resource needs
  - Any approvals or budget requests

If you're unable to attend a meeting, you can email your update to the Club Secretary or President in advance.

CONCLUSION

The Event Coordinator helps bring Phoenix together off the court, creating fun, connection, and a sense of club spirit. Your efforts are often the moments families remember — and they show how much we value our players, volunteers, and community.

Thank you for taking on this role. We're here to support you, and we appreciate the creativity, energy, and care you bring to our events. Let's make it a great season together!
