REFUNDS

ISSUED 04/03/2026

PURPOSE: The Club has developed this policy to establish a clear, fair and consistent framework for assessing and processing refund requests for fees paid to the Club

The policy ensures all players and their families understand when refunds may be available, the criteria that must be met, and the processes the Club will follow in administering refunds — including medical refunds, program cancellations, inability to place a player in an appropriate team, and other eligible circumstances.

REVISION: All Club policies, procedures guides and checklists are reviewed every January following the appointment of the new committee in November of each year.

They may also be reviewed before each season or too meet compliance requirements.

POLICY STATEMENT: The Club is committed to providing a transparent and reasonable approach to refunds. While all fees are generally non-refundable, the Club recognises that in certain circumstances (such as extended medical absence, program cancellation, team placement failure, or other extenuating circumstances), a partial or full refund may be appropriate.

This policy outlines those circumstances, sets out the eligibility criteria (including base requirements such as having no outstanding fees and submitting a reimbursement (refund) request within the specified timeframe), and describes how refund applications will be assessed and processed.

Refund decisions will be made consistently, respectfully and in line with the Club's values of fairness and community support.

SCOPE: This policy applies to all junior players, parents/guardians, coaches, team managers, and volunteers involved in the Club.

It covers circumstances where a refund of these fees may be considered, such as medical absence, program cancellation, or inability to place a player in an appropriate team.

The policy does not apply to fees paid to others and all refund requests must meet the eligibility criteria set out in the policy.
