CONCLUSION 14

Purpose

The purpose of this guide is to assist the volunteer Treasurer to carry out their duties at Phoenix. Please remember, your committee is always here to provide guidance and support. We also welcome your feedback as we work together, as volunteers, to deliver the best experience for our junior players and their families.

This guide is being implemented for the 1st time, and we greatly appreciate any feedback on how we can make it better. Please send to hello@bendigophoenix.org.au.

Introduction

The Treasurer holds a critical leadership position as one of the elected Office Bearers under the association's constitution and the Model Rules for Incorporated Associations (Consumer Affairs Victoria). As a member of the committee, the Treasurer plays a central role in ensuring the club's financial health, legal compliance, and overall accountability to its members.

This guide outlines the Treasurer's core responsibilities, with a focus on managing club finances, administering approved policies such as the Cub Fees, Refund, and Bridging Fund programs, and upholding strong governance through transparent financial oversight.

The Treasurer works closely with other Office Bearers—the President, Vice President, and Secretary—to implement decisions made by the committee and ensure all financial transactions are:

- Committee-approved,
- Ethically managed, and
- Accurately recorded.

In the event an Assistant Treasurer is appointed by the Club, the Treasurer may delegate specific duties as appropriate—such as recordkeeping or correspondence. However, **financial delegations and responsibilities cannot be transferred or delegated without formal approval from the Committee.** This ensures continued oversight, accountability, and compliance with governance standards.

As an Office Bearer, the Treasurer is not only a financial custodian but also a leader and role model within the Club. Their work directly supports the Club's mission to make basketball accessible and enjoyable for all junior players, regardless of financial background.

This guide is intended to support current and future Treasurers in fulfilling their duties effectively and with confidence. The Treasurer should also review and adhere to the Office Bearers Obligations policy.

GOVERNANCE & FINANCIAL OVERSIGHT

Financial Governance Principles

To maintain transparency, accountability, and strong financial controls, the following procedures must be strictly followed:

Committee Approval

- All Club expenditures must be pre-approved by the Committee (quorum) during formal meetings or via email (by circular correspondence).
- The Treasurer should present all financial matters clearly for discussion and approval before processing payments.

Office Bearer Sign-Off

- Only Office Bearers (President, Vice President, Secretary, Treasurer) may act as signatories on behalf of the club.
- Two Office Bearers must sign off on any expenditure, following committee approval.

Conflict of Interest Policy

- The two signatories must not reside in the same household or be in a personal relationship/partnership.
- This rule applies to maintain impartiality and integrity in financial decision-making.

Supporting Documentation

Every transaction must include:

- Committee meeting minutes or written approval
- Receipts/invoices
- Bank or payment confirmations
- Clear notation of who approved the expenditure and when

Record-Keeping

The Treasurer must maintain accurate, up-to-date records of all income and expenses by using the Club financial excel workbook. The workbook is stored online in the Club's google drive.

The workbook captures the following information:

- Financial summary – high level summary of budget Vs actual and forecasting
- Income – tracking all income streams and used for forecasting
- Invoices Out – tracking all invoices issued by the Club with unique invoice numbers and ensuring payment is received
- Expenses – tracking all expenses and used for forecasting
- Invoices In – tracking all invoices received and payment
- Invoice Template -template used for creating Club invoices
- Slam Dunk – tracking Slam Dunk Bridging Fund transactions out
- Vouchers – tracking vouchers issued on PlayHQ

The Treasurer files on invoices received, invoices issued, approvals and any other relevant documentation in the Finance Google Drive in the relevant sub-folder.

Financial records should be:

- Reviewed regularly by the committee – the Treasurer presents the financial summary at each committee meeting or on request.
- Available for annual audits or reviews – the Treasurer keeps the records in an orderly manner to be easily reviewed as required. Accounts must be audited at least annually.
- Submitted to Consumer Affairs Victoria (CAV) as part of annual reporting obligations – the Treasurer prepares the template to be submitted to committee for approval and then for submission by the Secretary to CAV.

By ensuring all Club funds are managed in line with these principles, the Club maintains trust with its members and complies with its legal obligations under the Model Rules for Incorporated Associations.

CLUB BANK ACCOUNT

Bank Account Management

The Club maintains a dedicated bank account to manage all income and expenditure related to its operations. This account is a key element of the Club's financial governance and transparency.

Signatories and Access

- The Club bank account must have at least two authorised signatories at all times.
- All signatories must be current Office Bearers of the club (e.g., President, Vice President, Secretary, or Treasurer).
- Signatories must not reside in the same household or be in a personal relationship/partnership, ensuring independent oversight of all financial transactions.
- Two signatories are required to authorise any payments or withdrawals from the account, whether made electronically or by cheque.

Online Banking and Security

- Online banking access must be securely managed, with unique logins for each signatory (where supported by the bank).
- Passwords and account credentials must be stored securely and never shared.
- All transactions must be supported by invoices or receipts and clearly recorded in the club's financial records.

Monitoring and Reconciliation

- The Treasurer is responsible for regular reconciliation of the bank account, ensuring all transactions match the club's financial records.
- Financial reports are presented to the Committee for review at each committee meeting.
- Statements must be filed in the Finance google drive and available for internal and external audits, or as required by CAV.

Proper management of the Club's bank account is essential to uphold financial transparency and ensure responsible stewardship of member and sponsor funds.

BANK SECURITY PROTOCOLS

The Treasurer is responsible for maintaining and upholding the Club's bank security protocols, as outlined below:

Segregation of Duties

- One person should not have complete control over transactions.
- At least two signatories are required to approve payments or transfers.
- Dual authorisation for online banking with the Treasurer initiating the transaction and the President or Secretary approving is preferred.

Secure Storage of Login Credentials

- Bank passwords must not be stored in shared or unsecured files (ie. password spreadsheets or cloud drives).
- Passwords should only be known to authorised signatories.
- It is the responsibility of the password holder to ensure the password is stored securely.

Personalised Access

- Each signatory should have their own login credentials.
- Access should **NOT** be shared between committee members.

Two-Factor Authentication (2FA)

- Enable and require 2FA for all online banking access where available.

Transaction Review & Audit Trail

- Maintain clear, accessible records of all transactions.
- Ensure approvals are documented in meeting minutes and the financial work.
- Provide monthly reports to the committee for oversight.

Regular Monitoring

- The Treasurer should regularly monitor account activity and flag any irregularities.
- Conduct periodic reconciliations to ensure transparency and prevent errors or misuse.

FINANCIAL REPORTING TO CONSUMER AFFAIRS VICTORIA

As an incorporated association under the **Associations Incorporation Reform Act 2012 (Vic)**, Phoenix United Basketball Development Club Inc. has legal obligations to submit financial reports annually to **CAV**. The Treasurer plays a lead role in ensuring the club remains compliant.

Annual Financial Reporting Requirements

- **Annual General Meeting (AGM):**
  - The club must hold an AGM **within five months** of the end of its financial year.
  - At the AGM, the Treasurer must present a **financial statement** outlining the club's income, expenditure, assets, and liabilities.
- **Tier Classification:**
  - Incorporated associations in Victoria are classified into one of three tiers, based on total revenue:
    - **Tier 1:** Revenue less than $250,000
    - **Tier 2:** Revenue between $250,000–$1 million
    - **Tier 3:** Revenue over $1 million

    - **The Club falls under Tier 1.**

- **Annual Statement Submission:**
    - Within **one month of the AGM**, the Secretary (or Treasurer) must lodge an **Annual Statement** with CAV via the myCAV portal.
    - The Annual Statement includes:
        - Confirmation of the AGM
        - Signed financial statements
        - Payment of the annual lodgement fee

What the Treasurer Must Prepare:

- **Statement of Receipts and Payments** (or Income and Expenditure)
- **Statement of Assets and Liabilities**
- **Notes to the Financial Statements**, if needed
- A **Treasurer's Report** summarising the club's financial position and recommendations for the coming year is included in the Club's Annual Report.

Additional Tips:

- Keep all receipts, invoices, and bank statements organised and accessible throughout the year.
- Use the finance workbook template and spreadsheets to maintain clear and accurate records.
- Work closely with the Secretary to ensure deadlines are met and reports are signed by two committee members.

Timely and accurate reporting ensures the Club remains in good standing with CAV and reinforces the Club's commitment to transparency and good governance.

ABN, ATO, AND REGULATORY REQUIREMENTS

As Treasurer of an incorporated club registered with Consumer Affairs Victoria (CAV), you are responsible for ensuring the club complies with relevant financial and reporting obligations. This includes requirements associated with holding an Australian Business Number (ABN) and meeting Australian Taxation Office (ATO) expectations. The Club via a Committee vote made the decision to apply and use an ABN for the purposes of issuing invoices to sponsors, etc and for grants.

ABN (Australian Business Number)

- Maintain the current ABN, ensuring it remains valid.
- Ensure contact details and authorised persons are kept up to date on the Australian Business Register (ABR).

- The ABN must be included on official documents such as invoices, receipts, grant applications, and financial correspondence.

ATO Obligations for Not-for-Profit Clubs

- As a not-for-profit community sporting club, Phoenix Basketball may be eligible for income tax exemption.
- This status must be self-assessed each year to confirm ongoing eligibility. The club must meet the relevant criteria as outlined on the ATO website.
- The Treasurer is responsible for maintaining financial records that demonstrate the club's not-for-profit status and compliance, particularly if the club is audited.

GST Registration (if applicable)

The club is not currently registered for GST, as registration is only required when annual turnover exceeds $150,000.

The Treasurer is responsible for:

- Monitoring the club's annual turnover,
- Notifying the Committee if turnover approaches the GST registration threshold, and
- Seeking advice or preparing for registration if required.

If the threshold is reached, the club must review the requirements and abide as required ie. register with the ATO and begin lodging Business Activity Statements (BAS), charging GST on applicable sales, and claiming eligible GST credits.

BUDGETING & FORECASTING

The Treasurer with the Secretary is responsible for drafting the budget for the next financial year for the Committee to review and approve. This is normally done each June before the start of the next financial year with forecasting conducted before the start of each basketball season when adjustments may be required.

Budgeting

Budgeting is about setting out a clear financial plan at the start of the financial year. It should reflect expected income and expenses based on previous years, known commitments, and upcoming club activities.

Key income sources might include:

- Player registrations (PlayHQ)
- Sponsorships
- Fundraising
- Grants

Common expenses include:

- Bendigo Basketball Association (BBA) fees
- Training court hire
- Coach Kit and equipment costs
- Club initiatives such as skills clinics, coach courses and referee incentives

- Sponsorship costs
- Admin (software, banking, communications)
- Governance

Budgeting helps the committee make informed decisions and ensures spending stays aligned with club priorities.

Forecasting

Forecasting involves reviewing actual income and expenses throughout the year and adjusting your financial outlook. It helps you spot issues early—like reduced registrations, rising costs, or unexpected bills—so the club can respond proactively.

Forecasting is especially useful before key decisions, such as:

- Fundraising
- Events
- Purchasing equipment
- Applying for grants or sponsorships

APPROVALS FOR PAYMENT

It is the Treasurer's responsibility to ensure all necessary approvals are obtained **before** making any payments. Evidence of approval (ie. Committee meeting date) must be recorded in the Finance workbook and email approvals filed in the Finance Google Drive as appropriate.

For clarity, **Committee approval of a budget does not constitute approval to make payment.** Each invoice or reimbursement must be individually approved **prior** to payment being processed.

Spending Amount	Who Can Approve*	Conditions Notes
Up to $100	Treasurer	Must be reported at next committee meeting
$101 - $500	Treasurer + 1 Office Bearer	At least 2 signatories ie. Treasurer + President or Secretary with email or written approval and reported at next committee meeting.
$501 - $2,000	Committee approval (quorum)	Requires discussion and formal approval at a committee meeting or via circular correspondence.
Over $2,000	Committee approval + documented quote / justification	Must be minuted and supporting documentation (quotes, proposal, project plan) required.
Budgeted expenses (any amount)	Treasurer, as per approved annual budget	If already included in the approved annual budget, the Treasurer can process without further approval. Invoices must be verified as correct and is still required to be reported to the committee.
Re-imbursements	Treasurer or President	Must be supported by a valid receipt and approved re-imbursement form (ie. Meets policy requirements). Above $100 requires dual sign off.

Governance & Integrity Requirements

- **Dual signatories are required** for all payments, regardless of amount, in accordance with club banking policy.
- **Approvers for any financial decision must not reside in the same household, be in a romantic relationship, or be related by blood or marriage**.
- All spending must align with the club's purpose, policies, and budget.
- Emergency spending may be approved outside a meeting but must be **ratified at the next committee meeting**.
- All approvals should be documented in **meeting minutes** or tracked in a financial workbook.

THIRD PARTY INCOME PLATFORMS

The Treasurer is responsible for ensuring that all third-party platforms used to generate income for the club are kept up to date with the correct information, including bank account details.

Current platforms include PlayHQ and Humanitix, with the Treasurer holding login access to manage and maintain these accounts as needed.

PASSWORD MANAGEMENT

The Treasurer is responsible for keeping the Club's password file up to date with login details for all platforms, apps, and services used in their official capacity.

Note: The club's banking password is excluded from this file and must be managed separately in accordance with bank security protocols.

MANAGING CLUB FEES POLICY

The Treasurer with support from the Secretary, is entrusted with the development, review, and administration of the Club's Fees Policy. This ensures the club remains financially sustainable while keeping participation affordable and transparent for all members.

Setting the Fees

Each season, the Treasurer with the Secretary is responsible for drafting a proposed fee structure for Committee review and approval using the Fee workbook template. This includes gathering up-to-date cost information and projecting seasonal expenses.

Once the Fee Schedule is approved by the Committee, the Secretary and Social Media Coordinator are responsible for clearly communicating to members via the website, newsletter, social media, registration materials, and any relevant club communications.

Fee Components

The Treasurer must consider all fixed and variable costs associated with running the club. These typically include:

- BBA Game Fees: Team entry costs for weekly games.
- PlayHQ Administration Fees: financial transaction deductions charged on registration fees collected through the PlayHQ platform.
- Vouchers: PlayHQ discounts ie. Family discounts.
- Training Venues: Court hire costs for weekly training sessions.
- Coach Kits: Balls, bibs, whistles, cones, first aid kits, and other materials for team coaches.

Reviewing and Adjusting Fees

- Seasonal Review: Fees should be assessed as early as possible and no less than 12 weeks before the start of each new season based on current and projected expenses.
- Committee Approval Required: No fees may be changed, increased, or waived without the formal approval of the Committee.
- Documented Rationale: The Treasurer should provide a breakdown of how proposed fees were calculated to ensure clarity and accountability.

Managing the Club Fees Policy with diligence and transparency supports both the financial health of the club and the trust of our families and members.

MANAGING THE REFUND POLICY

The Refund Policy was developed by the Club and is administered by the Treasurer with support by the Secretary.

Key Points

- Eligibility for Refunds:
- Full refunds are available if the club cancels a program or competition before it begins.
- Pro-rata refunds are provided if a program or competition starts but is subsequently cancelled.
- Refunds are also available if the Bendigo Basketball Association (BBA) cancels or reduces the number of games in a competition. If 6 or more games are cancelled during a season, a pro-rata refund is applicable.

Application Process

Members must complete the Refund Request Form and submit it along with any required evidence to treasurer@bendigophoenix.org.au.

As Treasurer, you are responsible for assessing the application to ensure all criteria are met. If eligible, process the refund in accordance with the policy (ie. obtain the necessary approvals); if not, inform the applicant via email.

Extenuating Circumstances

The club considers refund requests under extenuating circumstances. Members should contact you or the President for a confidential discussion.

MANAGING THE BRIDGING FUND POLICY

The Slam Dunk Bridging Fund Policy (Bridging Fund) was developed by the Club and is administered by the Treasurer unless delegated to the Bridging Fund Coordinator and then it is overseen by the Treasurer. Refer to the Bridging Fund Coordinator guide for details.

BANK SECURITY PROTOCOLS

The Treasurer is responsible for maintaining and upholding the Club's bank security protocols, as outlined below:

Segregation of Duties

- One person should not have complete control over transactions.
- At least two signatories are required to approve payments or transfers.
- Dual authorisation for on online banking with the Treasurer initiating the transaction and the President or Secretary approving.

Secure Storage of Login Credentials

- Bank passwords must not be stored in shared or unsecured files (ie. password spreadsheets or cloud drives).
- Passwords should only be known to authorised signatories.
- It is the responsibility of the password holder to ensure the password is stored securely.

Personalised Access

- Each signatory should have their own login credentials.
- Access should **NOT** be shared between committee members.

Two-Factor Authentication (2FA)

- Enable and require 2FA for all online banking access where available.

Transaction Review & Audit Trail

- Maintain clear, accessible records of all transactions.
- Ensure approvals are documented in meeting minutes and the financial work.
- Provide monthly reports to the committee for oversight.

Regular Monitoring

- The Treasurer should regularly monitor account activity and flag any irregularities.
- Conduct periodic reconciliations to ensure transparency and prevent errors or misuse.

CONCLUSION

Your role as Treasurer is vital in upholding the financial health and integrity of the Phoenix United Basketball Development Club Inc. By adhering to these guidelines, you contribute to a transparent, inclusive, and supportive environment for all members.
