SOCIAL MEDIA POLICY

ISSUED 23/10/2025

PURPOSE: The Club recognises the value of social media as a tool to connect with members, families, volunteers, and the wider community. At the same time, the Club is committed to ensuring that all online communication reflects our values, respects privacy, and protects the safety and wellbeing of our members.

This policy outlines expectations and responsibilities for all volunteers, members, families and anyone representing the Club online, ensuring that social media activity is professional, respectful, and aligned with the Club's commitment to child safety, inclusion, and positive community engagement.

REVISION: All Club policies, procedures guides and checklists are reviewed every January following the appointment of the new committee in November of each year. They may also be reviewed before each season or too meet compliance requirements.
