UNIFORMS

ISSUED 04/03/2026

PURPOSE: The Club has developed this policy to establish clear guidelines for the wearing, allocation, and purchase of official club uniforms. It ensures compliance with the regulatory requirements of the **Bendigo Basketball Association (BBA)** while supporting affordability and accessibility for all families.

The policy also outlines processes for player number allocation, uniform choices, and provisions for second-hand uniforms and financial support where needed.

REVISION: All Club policies, procedures guides and checklists are reviewed every January following the appointment of the new committee in November of each year.

They may also be reviewed before each season or too meet compliance requirements.

POLICY STATEMENT: The Club is committed to ensuring all registered players wear the approved club uniform, including a reversible Phoenix jersey and regulation shorts that comply with BBA requirements.

The Club recognises the importance of consistency in appearance, affordability for families, and adherence to community and association standards.

Uniforms must be purchased and worn in accordance with this policy, with options provided to support cost-effective participation, including uniform loan programs, second-hand uniform exchanges and assistance through the Slam Dunk Bridging Fund.

SCOPE: This policy applies to all junior players, parents/guardians, coaches, team managers, and volunteers involved in Club.

It covers the allocation, purchase, and wearing of official Clulb uniforms, including provisions for second-hand uniforms and financial support mechanisms such as the Slam Dunk Bridging Fund.

The policy ensures consistency in uniform standards across all Club activities while supporting accessibility and affordability for all members

JERSEYS

- All players are required to wear a reversible Phoenix jersey.
- **Player numbers**: Players will be issued a permanent jersey number by the Club, which will remain assigned to them for the duration of their continued membership.

NEW CLUB UNIFORMS

The Club is in the process of developing new uniforms, which will be introduced gradually over the next few seasons.

The updated design will give the Club a fresh look while keeping costs affordable for all families.

SHORTS

- **Regulation Shorts:** All players must wear Bendigo Basketball Association (BBA) compliant shorts.
- **Phoenix-branded Purple Shorts Verse plain BLACK shorts:** The Club now allows teams to collectively decide whether to wear Phoenix-branded purple shorts or black compliant shorts. This decision aims to assist families with the costs of uniforms.

REGULATORY REQUIREMENTS

All players within a team are required to wear matching uniforms in accordance with the Bendigo Basketball Association (BBA) regulatory requirements as outlined in the BBA Policies Guidelines (by-laws).

These rules are strictly enforced, and penalties apply for non-conformance.

SHOES & SOCKS

There are no specific requirements for shoes and socks, other than that they must be worn. We especially love it when they are purple!

PLAYER NUMBERS

- The allocation of player numbers is done each season after registrations have closed.
- The Club aims for continuing players to retain their number. In the event of a clash, the Club will contact the player's primary contacts to resolve.
- New players will be assigned numbers based on year of birth, with those born in odd years receiving an odd number and those born in even years receiving an even number. This will help to reduce player number clashes with "top age" and "bottom age" players.
- Where possible, siblings will be allocated the same number to allow uniforms to be handed down to help reduce costs to families.

PURCHASING UNIFORMS

1. **Player Number Allocation**: The Club assigns player numbers after registration is paid or on request. The player's PlayHQ record will be updated with the assigned number.
2. **Notification**: Once player numbers have been allocated, an email will be sent to the primary contact for each player, notifying them of their assigned number.
3. **Order**: Families can purchase uniforms with the allocated player number by visiting the Phoenix store at Step in Sports.

UNIFORM LOAN PROGRAM

The Club runs a Uniform Loan Program to support families doing it tough, with a limited number of jerseys available for use each season.

This program also provides jerseys to all Under-10 and younger teams, ensuring every player can hit the court in the official Phoenix uniform.

SECOND-HAND UNIFORMS

- Families can buy or sell second-hand uniforms by commenting on the designated post on the Club's Facebook page or arranging transactions directly.
- Please be mindful of potential number clashes

SLAM DUNK BRIDGING FUND

The Slam Dunk Bridging Fund has been established to support families facing financial hardship with its purpose to "bridge the gap", ensuring all young athletes can play basketball.
