REGISTRATION & GRADING

ISSUED 04/03/2026

PURPOSE: The Club has developed this policy to establish a clear, fair, and inclusive framework for how players register, nominate grading preferences, and are placed into teams for each season.

It ensures that all participants are placed in teams appropriate to their goals and skill levels while supporting a positive, enjoyable club experience for players, families and volunteers.

REVISION: All Club policies, procedures guides and checklists are reviewed every January following the appointment of the new committee in November of each year.

They may also be reviewed before each season or too meet compliance requirements.

POLICY STATEMENT: The Club is committed to providing a structured and transparent registration and grading process that:

- Ensures all registered players pay required club fees and complete their registration prior to placement.
- Allows players to nominate their preferred grading type ("Fun" or "Competition") to assist in appropriately forming teams that align with individual skill levels and seasonal goals.
- Supports placement of players into teams in a manner that fosters balance, fairness, and enjoyment for all participants.
- Provides a process for registering existing teams together and new teams, ensuring that team members enter consistent information to facilitate placement.
- Requires adherence to uniform and administrative requirements as stipulated by the Bendigo Basketball Association (BBA) and Club policies.

This policy is designed to support the overall development of players and contribute positively to the Club's competition performance and community environment.

SCOPE: This policy applies to all junior players, parents/guardians, coaches, team managers, and volunteers involved in the Club.

It covers the registration of existing teams wishing to enter together, new teams being formed, and the grading of players to ensure placement in teams that match their skill level and seasonal goals.

The policy also encompasses administrative processes related to grading days, team placement, uniform requirements, and compliance with both Club and Bendigo Basketball Association (BBA) rules.

REGISTRATION & GRADING

ISSUED 04/03/2026

REGISTRATION

All players are required to make full payment of the Club fee at the time of registration.

During registration, players (who are not registering directly to a team) must nominate their preferred grading type for the season — either "Fun" or "Competition". This selection assists the club in forming teams that align with each player's skill level and seasonal goals. This process ensures appropriate team placement and supports a positive and enjoyable experience for all participants.

For players wishing to register as part of a team, refer to the section Registering a Team.

REGISTERING A TEAM

To register as part of a team, each player must complete an individual registration and follow the steps below:

Existing Phoenix Teams

- Complete registration by using the team registration link emailed by the Club to register directly to the team.
- A team registration link is generated when the Coach or Team Manager has notified the Club that the team will be continuing in the next season. If this has not been done before registration opens, the players will need to either register as individuals or follow the New Teams process below.

New Teams

- Complete the registration by using the Club registration link emailed to current season players or found on the Club's website.
- Answer the questions including the non-mandatory question 'If you are registering as a new team, enter your name', and in the text box enter the name of your team or placeholder name ie. 'U14 Boys new team Smiths'.

IMPORTANT EVENTS

- **Registration Open** – All players, coaches, and team managers are invited to register for the next season. Full payment of Club fees is required at the time of registration.
- **Grading Day -** All registered players are encouraged to attend Grading Day. Full event details will be provided in the Club Welcome Letter.
- **Team Selection and Announcement** - After Grading Day, players will be placed into teams and team grading will be assessed. Team announcements will be made prior to the start of the season.
- **Jersey Numbers -**To prevent duplicate numbers across age groups, all jersey numbers are issued by the Club. Please ensure you receive your allocated number before ordering your uniform.
- **Uniform -** required by last season grading match - All teams must have matching uniforms by the completion of the grading games.

REGISTRATION & GRADING

ISSUED 04/03/2026

Grading Day serves as the foundation for team selection, where players demonstrate their skills to be placed in a team that aligns with their ability level and goals, whether for fun or competition.

Registered teams are required to attend Grading Day and will be graded as a team to determine the division the team will be registered in.

In accordance with Bendigo Basketball Association (BBA) requirements, all teams must have matching uniforms for every player by the conclusion of the grading period.

Refer to the Club's Uniform Policy for more details.

TEAM SELECTION

Following Grading Day, Team Coaches will collaborate to assign players to teams based on their chosen grading type and performance during the grading session. This process ensures that players are placed in teams that align with their skill level and goals for the season. Team assignments will be made to foster a balanced and competitive environment for all participants.

Registered teams will be assessed by the Coaching panel to determine the division the team will be registered in.

SLAM DUNK BRIDGING FUND

The Slam Dunk Bridging Fund has been established to support families facing financial hardship with its purpose to "bridge the gap", ensuring all young athletes can play basketball.
