Purpose

The purpose of this guide is to assist the volunteer Uniform Co-ordinator to carry out their duties at Phoenix. Please remember, your committee is always here to provide guidance and support. We also welcome your feedback as we work together, as volunteers, to deliver the best experience for our junior players and their families.

This guide is being implemented for the 1st time, and we greatly appreciate any feedback on how we can make it better. Please send to hello@bendigophoenix.org.au.

INTRODUCTION

The **Uniform Coordinator** plays an essential part in supporting the smooth operation and team spirit of the Club. This volunteer role ensures all players are equipped with the correct uniforms in line with Club standards and the Bendigo Basketball Association (BBA) regulations.

More than just co-ordinating player number and loans, the Uniform Coordinator helps uphold the club's image, ensures fairness in uniform access, and supports families through initiatives like the **Loan Uniform Program** and **Second-Hand Uniform Exchange**. The role requires organisation, clear communication, and a friendly, helpful approach with players, parents, coaches, and suppliers.

This guide outlines your responsibilities, key procedures, and tips for successfully managing uniforms across the season. Whether you're stepping into this role for the first time or returning for another season, this guide is here to help you feel confident and supported.

This guide is based on the Club's Uniform Policy.

KEY RESPONSIBILITIES

Club Policy

- Administer the Club Uniform Policy.
- Be familiar with the BBA Polies & Guidelines in relation to uniform.

Player Number Allocation

- Allocate unique jersey numbers to each player, following the policy and avoiding duplication across teams.
- Maintain an accurate number registry in the Jersey Players Numbers workbook and communicate assignments to families.

Loan Uniform Program

Manage Loan Stock

- The club holds a supply of loan jerseys specifically for Under 8 and Under 10 players, which are loaned on a longer-term basis to help families avoid the cost of purchasing jerseys while children are learning the sport.
- For other age groups (U12–U18), the club maintains a smaller stock of jerseys available only for short-term loans or special programs.
- Generally, U12 to U18 players purchase their own jerseys, but loan stock supports emergency or special cases.

Eligibility

- Loan uniforms may be issued in cases such as:
    - New players awaiting delivery
    - Players trialling / filling in with the club
    - Emergency replacements

Tracking and Returns

- Maintain a loan register with player name, team, date of issue, and expected return.
- Ensure loaned items are returned in good condition at the end of the loan period.

Cleaning Policy

- Communicate clearly with families that loan items must be washed and returned promptly.

Second-Hand Uniform Exchange

- With the Secretary and Social Media Content Creator ensure a post on Facebook is created pre-season to allow families to buy and sell second hand uniforms.
- Ensure the post is communicated and circulated to families through all channels including the Website, newsletter, welcome letters, socials, etc.
- Ensure families know to check with the Uniform Co-ordinator for number clashes before purchasing.

Compliance with BBA Uniform Regulations

- With Team Coaches and Team Manager ensure all players are wearing matching club jerseys and compliant shorts.
- For shorts note the following:
  - U8 and U10 teams – all must wear black BBA compliant shorts ie. No pockets.
  - U12 – U18 teams – the Club is phasing in black BBA compliant shorts ie. Teams may choose to wear black BBA complaint shorts or Phoenix purple shorts. Encourage teams to adopt the cheaper black BBA complaint short option.
- Before each season check the BBA policy to ensure no changes are required to the Club policy.

Financial Assistance

- Promote the Slam Dunk Bridging Fund, which can assist families with the cost of uniforms.
- Refer families in need to the Treasurer for confidential discussions.

Record Keeping and Reporting

Keep accurate records of:

- Loan and return dates
- Uniform inventory and sizes
- Player number allocation

Communication and Support

- Be the first point of contact for uniform-related questions from parents, team managers and team coaches.
- Work with team managers and team coaches to identify uniform issues early in the season.

SPONSORSHIP LINKED UNIFORM DESIGN & PROCUREMENT

When the Club secures a sponsorship arrangement that includes adding a sponsor's name or logo to uniforms, the Uniform Coordinator plays a key support role. Working closely with the Sponsorship Team, the Uniform Coordinator helps to implement the design and procurement process across both player and loan uniforms.

Support the Sponsorship Team to Implement Branding Requirements

- Liaise with the Sponsorship Team to understand branding requirements (e.g. sponsor logo placement, colours, garment type).
- Assist with coordinating timelines, supplier options, and delivery planning to meet sponsorship deadlines.
- Ensure all updates are in line with the terms of the sponsorship agreement (e.g. branding duration, logo size and placement).

Coordinate With Suppliers

- Request design mock-ups that include sponsor branding.
- Confirm costs, lead times, and minimum order quantities.
- Advise the committee on options for integrating sponsor logos onto new or existing uniforms.

Update Loan Stock

- Audit existing loan uniforms to determine what can be updated or needs to be replaced to reflect the new sponsor branding.
- Assist with the application of logos to loan stock (e.g. via heat press or sewn patches) where appropriate.
- Retire or repurpose outdated loan uniforms that do not meet current sponsorship requirements.
- Maintain an accurate inventory of compliant loan stock.

Maintain Compliance

- Ensure uniform designs comply with:
    - Club branding guidelines,
    - Competition or association regulations, and
    - Specific sponsor expectations for logo usage and visibility.

Contribute to Committee Decision-Making

- Provide cost comparisons and artwork proofs
- Suggest suitable roll-out plans for sponsor-branded apparel (e.g. full replacement vs staged update)
- Support communication with teams regarding uniform changes and distribution

MERCHANDISE OVERSIGHT

Although club merchandise is administered by a third party, the Uniform Coordinator should:

- Oversee merchandise quality and approve designs or products before they are released to ensure they meet club standards.
- Liaise with the merchandise supplier to address any quality issues or concerns.
- Provide feedback to the Committee on merchandise options, sales, and alignment with club branding.
- Act as a liaison between families and the merchandise provider for questions or concerns.

REPORTING

The Uniform Coordinator should provide regular updates to the Committee to keep everyone informed about uniform and merchandise matters throughout the season.

This may include:

- Inventory updates, including loan stock levels and second-hand uniform availability
- Issues with uniform supply, sizing, or quality
- Updates on sponsorship logos or changes to uniform design
- Oversight of club merchandise, ensuring quality standards are met and products are approved, even when administered by a third party
- Feedback from players, families, or coaches regarding uniforms and merchandise
- Any requests for additional resources or budget approval

If you are unable to attend a Committee meeting, you may send a written report to the Club Secretary or President in advance.
