Purpose

The purpose of this guide is to assist the volunteer **Sponsorship Coordinator** to carry out their duties at the Club. Please remember, your committee is always here to provide guidance and support. We also welcome your feedback as we work together, as volunteers, to deliver the best experience for our junior players and their families.

This guide is being implemented for the 1st time, and we greatly appreciate any feedback on how we can make it better. Please send suggestions to hello@bendigophoenix.org.au.

Introduction

The **Sponsorship Coordinator** plays a crucial role in securing and maintaining relationships with sponsors to support the financial sustainability and growth of the Club. This volunteer role involves identifying potential sponsors, managing communications, coordinating sponsorship agreements, and ensuring sponsors receive agreed recognition.

Effective sponsorship supports club activities, equipment, events, and player development, helping to keep fees affordable and enhancing the overall experience for players and families.

This guide outlines your key responsibilities, how to approach sponsorship management, and tips for maintaining positive sponsor relationships.

KEY RESPONSIBILITIES

Club Policy

- Be familiar with Club policies.
- Be familiar with the BBA Policies & Guidelines as applicable.

Identifying and Approaching Sponsors

- Research potential sponsors aligned with the club's values and community.
- Reach out to local businesses, organisations, and individuals who may be interested in supporting the club.
- Prepare clear sponsorship proposals outlining benefits and recognition options.
- Collaborate with the Committee on sponsorship targets and strategies.

2. Managing Sponsorship Agreements

- Keep detailed records of all sponsorship agreements, including terms, duration, deliverables, and financial or in-kind contributions.
- Ensure that both the sponsors receive all agreed benefits (such as logo placement, recognition, and promotional opportunities) and the club receives the agreed funds or support.
- Regularly monitor and follow up with sponsors and club coordinators to confirm obligations are being met.
- Address any discrepancies or issues promptly by communicating with the Committee and sponsors.
- Work with the Treasurer to track sponsorship payments and follow up on outstanding contributions.

3. Sponsor Recognition and Promotion

- Coordinate with the **Social Media Coordinator** and **Event Coordinator** to promote sponsors on:
    - Club social media accounts
    - Newsletters
    - Events and presentations
- Ensure sponsor logos and branding are used appropriately on uniforms, signage, and digital platforms, following brand guidelines.
- Organise opportunities for sponsors to engage with the club community (e.g., sponsor stalls, announcements at events).

4. Liaising with Other Coordinators

- Work closely with the Uniform Coordinator on placing sponsor logos on uniforms or merchandise.
- Collaborate with the Event Coordinator to incorporate sponsors into event promotions and activities.
- Keep the Committee informed of sponsorship developments and opportunities.

5. Compliance and Reporting

- Ensure sponsorship activities comply with the club's policies, including ethical standards and child safety requirements.
- Maintain a sponsorship database and prepare an annual summary report.

PLAYER JOURNAL SPONSORS

As part of the Club's commitment to player development and engagement, the **Player Journal initiative** provides players with personalised journals to track progress, set goals, and celebrate achievements.

The Sponsorship Coordinator is responsible for:

- Identifying and securing sponsors specifically to support the Player Journal program.
- Liaising with sponsors for their ad content for the Journal and any related communications or events.
- Collaborating with the Social Media Coordinator to highlight Player Journal sponsors through social posts and newsletters.

This targeted sponsorship supports the sustainability of the Player Journal initiative and strengthens sponsor-club connections by associating them with player growth and wellbeing.

JERSEY SPONSORS

The Club works with **two Jersey Sponsors** each season to help subsidise uniforms and reduce costs for families across different age groups:

- **Sponsor for Under 8s & Under 10s:**
  The club provides jerseys for these age groups. This sponsor supports the cost of these club-supplied jerseys, helping ensure all players receive uniforms without added expense.
- **Sponsor for Under 12s to Under 18s:**
  Players or families purchase their own jerseys in these age groups. This sponsor helps offset uniform costs, making player-purchased jerseys more affordable.

As Sponsorship Coordinator, your responsibilities include:

- Managing relationships with both Jersey Sponsors to ensure they receive proper recognition on all jerseys and through club communications.
- Coordinating with the Uniform Coordinator to apply sponsor logos correctly, consistent with club and league branding policies.
- Promoting both sponsors via social media, newsletters, and events in partnership with other coordinators.

- Ensuring sponsorship arrangements effectively contribute to keeping uniform costs low and accessible for all players.

This two-sponsor model supports the club's goal of affordable, high-quality uniforms for every player.

REPORTING

The Sponsorship Coordinator should provide regular updates at committee meetings to keep the Club informed about sponsorship activities and opportunities.

This may include:

- New sponsorship agreements secured or in progress
- Renewals or changes to existing sponsorships
- Recognition activities completed or planned
- Any issues or challenges encountered
- Opportunities for expanding sponsorship support
- Financial contributions received or outstanding

If you are unable to attend a meeting, you can send a written update to the Club Secretary or President in advance.

TOOLS AND SUPPORT

You may use or be given access to:

- Sponsorship proposal templates and tracking spreadsheets
- Club branding materials and logo files
- Contact lists of potential and current sponsors
- Collaboration tools such as Google Drive or email for documentation and communication
